[Fully Synthetic]

5W40 ENGINE OIL

API : SN

4L

Features & Benefits

- Improve Fuel Economy
- Better viscosity index
- Resistance to oxidation, thermal breakdown and oil sludge problem

ITEM CODE	DESCRIPTION	API	REMARK
LB151	5W40 Engine Oil - 4L	SN	

[Semi Synthetic]

10W40 ENGINE OIL

API : SL/CF

4L

Features & Benefits

- Superior viscosity stability
- Fuel saving through unique formula
- Excellent start-up performance

ITEM CODE	DESCRIPTION	API	REMARK
LB147	10W40 Engine Oil - 4L	SL/CF	

20W50 ENGINE OIL

API : SM

4L

Features & Benefits

- Superior viscosity stability
- Helps prevent oil burn off
- Lower engine temperature and increases horsepower

ITEM CODE	DESCRIPTION	API	REMARK
LB146	20W50 Engine Oil - 4L	SL/CF	

15W40 ENGINE OIL

API : SL/CF

5L

Features & Benefits

- Superior viscosity stability
- Fuel saving through unique formula
- For gasoline and diesel engines

ITEM CODE	DESCRIPTION	API	REMARK
LB152	5W40 Engine Oil - 5L	SL/CF	

15W40 ENGINE OIL

API : CI-4/SJ

7L

Features & Benefits

- Prolongs engine life
- Reduces oxidation during engine operation
- Reduces carbon, acid and sludge formations

ITEM CODE	DESCRIPTION	API	REMARK
LB178	15W40 Engine Oil - 7L	CI-4/SJ	

10W30 ENGINE OIL

API : SM

Features & Benefits

- Minimize friction
- Fuel saving through unique formula
- Excellent start-up performance

ITEM CODE	DESCRIPTION	API	REMARK
LB284	10W30 Engine Oil - 4L	SM	

5W30 ENGINE OIL

API : SM

Features & Benefits

- Extend engine life
- Exceptional fuel economy
- Ultimate cold start protection against wear

ITEM CODE	DESCRIPTION	API	REMARK
LB301	5W30 Engine Oil - 4L	SM	

15W40 ENGINE OIL

API : SM

Features & Benefits

- Superior protection against viscosity and thermal breakdown
- Optimised fuel efficiency
- Longer engine life

ITEM CODE	DESCRIPTION	API	REMARK
LB148	15W40 Engine Oil - 4L	SL/CF	

10W30 ENGINE OIL

API : SL/CF

Features & Benefits

- Superior protection against viscosity and thermal breakdown
- Optimised fuel efficiency
- Smoother, cooler and quieter engine

ITEM CODE	DESCRIPTION	API	REMARK
LB149	10W30 Engine Oil - 3L	SL/CF	

10W30 ENGINE OIL

API : SL/CF

Features & Benefits

- Superior protection against viscosity and thermal breakdown
- Optimised fuel efficiency
- Smoother, cooler and quieter engine

ITEM CODE	DESCRIPTION	API	REMARK
LB303	10W30 Engine Oil - 4L	SL/CF	

20W50 ENGINE OIL

API : CH-4

Features & Benefits

- Fuel save and low emissions
- Optimised fuel efficiency
- Good cleanliness and dispersant properties

ITEM CODE	DESCRIPTION	API	REMARK
LB150	20W50 Engine Oil - 5L	CH-4	

20W50 ENGINE OIL

API : SM/CF

Features & Benefits

- Superior protection against viscosity and thermal breakdown
- Optimised fuel efficiency
- Good cleanliness and dispersant properties

ITEM CODE	DESCRIPTION	API	REMARK
LB170	20W50 Engine Oil - 4L	SM/CF	

SAE40 ENGINE OIL

API : CF/SF

Features & Benefits

- Superior engine protection under severe driving conditions
- Reliable protection for older engines
- Better wear protection

ITEM CODE	DESCRIPTION	API	REMARK
LB153	SAE40 Engine Oil - 1L	CF/SF	

20W50 ENGINE OIL

API : SL/CF

1L

- Lower fuel consumption
- Promotes environmental friendliness
- High thermal stability for constant high performance throughout.

ITEM CODE	DESCRIPTION	API	REMARK
LB285	20W50 Engine Oil - 1L	SL/CF	

SAE30 ENGINE OIL

API : CF/SF

1L

Features & Benefits

- Superior corrosion protection
- Better wear protection
- High performance formula

ITEM CODE	DESCRIPTION	API	REMARK
LB88	SAE30 Engine Oil - 1L	CF/SF	

SAE30 ENGINE OIL

API : SH/CG-4

4L

- Prolongs engine life
- High level corrosion protection
- High performance formula

ITEM CODE	DESCRIPTION	API	REMARK
LB214	SAE30 Engine Oil - 4L	SH/CG-4	

SAE40 ENGINE OIL

API : CF/SF

5L

Features & Benefits

- Superior engine protection under severe driving conditons
- Reliable protection for older engines
- Better wear protection

ITEM CODE	DESCRIPTION	API	REMARK
LB166	SAE40 Engine Oil - 5L	CF/SF	

SAE40 ENGINE OIL

API : CF/SF

4L

Features & Benefits

- Superior engine protection under severe driving conditons
- Reliable protection for older engines
- Better wear protection

ITEM CODE	DESCRIPTION	API	REMARK
LB215	SAE40 Engine Oil - 4L	CF/SF	

SAE40 ENGINE OIL

API : CF/SF

7L

Features & Benefits

- Superior engine protection under severe driving conditons
- Reliable protection for older engines
- Better wear protection

ITEM CODE	DESCRIPTION	API	REMARK
LB240	SAE40 Engine Oil - 7L	CF/SF	

SAE40 ENGINE OIL

API : CF/SF

200L

Features & Benefits

- Superior engine protection under severe driving conditons
- Reliable protection for older engines
- Better wear protection

ITEM CODE	DESCRIPTION	API	REMARK
LB21	SAE40 Engine Oil - 200L	CF/SF	

SAE40 ENGINE OIL

API : CF/SF

18L

Features & Benefits

- Superior engine protection under severe driving conditons
- Reliable protection for older engines
- Better wear protection

ITEM CODE	DESCRIPTION	API	REMARK
LB17	SAE40 Engine Oil - 18L	CF/SF	

15W40 ENGINE OIL

API : SG/SF

18L

Features & Benefits

- Superior engine cleanliness
- Engine wear protection
- Increased fuel efficiency

ITEM CODE	DESCRIPTION	API	REMARK
LB23	15W40 Engine Oil - 18L	SG/CF	

20W50 ENGINE OIL

API : SG/CF

18L

Features & Benefits

- Reliable protection for older engines
- Better wear protection
- Prolongs engine life

ITEM CODE	DESCRIPTION	API	REMARK
LB260	20W50 Engine Oil - 18L	SG/CF	

SEMI SYNTHETIC

15W40 ENGINE OIL

API : CI-4

18L

Features & Benefits

- Prolongs engine life
- Reduce oxidation during engine operation
- Reduce carbon, acid and sludge formation

ITEM CODE	DESCRIPTION	API	REMARK
LB278	15W40 Engine Oil - 18L	CI-4	

10W40 ENGINE OIL

API : CI-4

7L

- Improves engine power, fuel economy and smoother drive
- Inhibits varnish and sludge formation
- Superior anti-corrosion formula that extends service life

ITEM CODE	DESCRIPTION	API	REMARK
LB241	10W40 Engine Oil - 7L	CI-4	

HYDRAULIC OIL 10W

4L

Features & Benefits

- Prevents wear
- Protects against rust and corrosion
- Long equipment life

ITEM CODE	DESCRIPTION	REMARK
LB89	Hydraulic Oil 10W - 4L	

HYDRAULIC OIL 10W

18L

Features & Benefits

- Prevents wear
- Protects against rust and corrosion
- Long equipment life

ITEM CODE	DESCRIPTION	REMARK
LB31	Hydraulic Oil 10W - 18L	

HYDRAULIC OIL AW68

16L

Features & Benefits

- Excellent anti-wear performance
- Protects against rust and corrosion
- Lower maintenance costs

ITEM CODE	DESCRIPTION	REMARK
LB71	Hydraulic Oil 10W - 16L	

HYDRAULIC OIL AW68

18L

Features & Benefits

- Excellent anti-wear performance
- Protects against rust and corrosion
- Lower maintenance costs

ITEM CODE	DESCRIPTION	REMARK
LB46	Hydraulic Oil 10W - 18L	

GEAR OIL 80W90

4L

Features & Benefits

- Improved low temperature protection
- Reduce maintenance costs
- Superior thermal stability

ITEM CODE	DESCRIPTION	REMARK
LB154	Gear Oil 80W90 - 4L	

GEAR OIL 80W90

1L

Features & Benefits

- Improved low temperature protection
- Reduce maintenance costs
- Superior thermal stability

ITEM CODE	DESCRIPTION	REMARK
LB176	Gear Oil 80W90 - 1L	

GEAR OIL GL4/140

4L

Features & Benefits

- Excellent protection against rust and corrosion
- Better wear protection
- Prolongs gear life

ITEM CODE	DESCRIPTION	REMARK
LB156	Gear Oil GL4/140 - 4L	

GEAR OIL GL4/140

1L

Features & Benefits

- Excellent protection against rust and corrosion
- Better wear protection
- Prolongs gear life

ITEM CODE	DESCRIPTION	REMARK
LB197	Gear Oil GL4/140 - 1L	

GEAR OIL GL5 90

1L

Features & Benefits

- Outstanding gear protection
- Superior thermal and oxidation stability
- Prolongs gear life

ITEM CODE	DESCRIPTION	API	REMARK
LB155	Gear Oil GL5 90 - 1L	SM/CF	

GEAR OIL GL5 90

4L

Features & Benefits

- Outstanding gear protection
- Superior thermal and oxidation stability
- Prolongs gear life

ITEM CODE	DESCRIPTION	API	REMARK
LB189	Gear Oil GL5 90 - 1L	CF/SF	

GEAR OIL GL4/90

18L

Features & Benefits

- Excellent protection against rust and corrosion
- Better wear protection
- Prolongs gear life

ITEM CODE	DESCRIPTION	REMARK
LB16	Gear Oil GL4/90 - 18L	

GEAR OIL GL4/140

18L

Features & Benefits

- Excellent protection against rust and corrosion
- Better wear protection
- Prolongs gear life

ITEM CODE	DESCRIPTION	REMARK
LB36	Gear Oil GL4/140 - 18L	

GEAR OIL GL4/90

200L

Features & Benefits

- Excellent protection against rust and corrosion
- Better wear protection
- Prolongs gear life

ITEM CODE	DESCRIPTION	REMARK
LB22	Gear Oil GL4/90 - 200L	

TCW III
TWO-STROKE OUTBOARD OIL

500ML

- Helps to keep engine clean and protected for longer
- Helps keep exhaust ports clean
- Longer spark plug life

ITEM CODE	DESCRIPTION	REMARK
LB206	Two-stroke outboard oil - 500ML	

TCW III
TWO-STROKE OUTBOARD OIL

1L

- Helps to keep engine clean and protected for longer
- Helps keep exhaust ports clean
- Longer spark plug life

ITEM CODE	DESCRIPTION	REMARK
LB207	Two-stroke outboard oil - 1L	

TCW III
TWO-STROKE OUTBOARD OIL

5L

- Helps to keep engine clean and protected for longer
- Helps keep exhaust ports clean
- Longer spark plug life

ITEM CODE	DESCRIPTION	REMARK
LB208	Two-stroke outboard oil - 5L	

PS10 POWER STEERING FLUID

- RED COLOR

354ML

Features & Benefits

- Prolongs power steering system life
- Protects against rust and corrosion
- Stops power steering squeaks

ITEM CODE	DESCRIPTION	REMARK
PS10	Power Steering - Red Color - 354ML	

PS11 POWER STEERING FLUID

- RED COLOR

800ML

Features & Benefits

- Prolongs power steering system life
- Protects against rust and corrosion
- Stops power steering squeaks

ITEM CODE	DESCRIPTION	REMARK
PS11	Power Steering - Red Color - 800ML	

PS12 POWER STEERING FLUID

- YELLOW COLOR

800ML

Features & Benefits

- Prolongs power steering system life
- Protects against rust and corrosion
- Stops power steering squeaks

ITEM CODE	DESCRIPTION	REMARK
PS12	Power Steering - Yellow Color - 800ML	

AUTO TRANSMISSION OIL Dexron III

4L

Features & Benefits

- Prolongs transmission life
- Excellent friction, oxidation and thermal stability
- Excellent anti-wear performance

ITEM CODE	DESCRIPTION	REMARK
AT02	Auto Transmission Oil ATF III - 4L	

AUTO TRANSMISSION OIL Dexron III

1L

Features & Benefits

- Prolongs transmission life
- Excellent friction, oxidation and thermal stability
- Excellent anti-wear performance

ITEM CODE	DESCRIPTION	REMARK
AT04	Auto Transmission Oil ATF III - 1L	

AUTO TRANSMISSION OIL Dexron III

18L

Features & Benefits

- Prolongs transmission life
- Excellent friction, oxidation and thermal stability
- Excellent anti-wear performance

ITEM CODE	DESCRIPTION	REMARK
AT05	Auto Transmission Oil ATF III - 18L	

AUTO TRANSMISSION OIL Dexron III

200L

Features & Benefits

- Prolongs transmission life
- Excellent friction, oxidation and thermal stability
- Excellent anti-wear performance

ITEM CODE	DESCRIPTION	REMARK
AT06	Auto Transmission Oil ATF III - 200L	

MO-B01-001 2T MOTOR OIL

API : TC

1L

Features & Benefits

- Superior engine cleanliness
- Superior engine protection
- Lower level of exhaust smoke

ITEM CODE	DESCRIPTION	API	REMARK
MO-B01-001	2T Motor Oil - 1L	TC	

MO-B01-002 2T MOTOR OIL

API : TC

500ML

Features & Benefits

- Superior engine cleanliness
- Superior engine protection
- Lower level of exhaust smoke

ITEM CODE	DESCRIPTION	API	REMARK
MO-B01-002	2T Motor Oil - 500ML	TC	

MO-B01-003 4T MOTOR OIL

SAE 40 Mineral

1L

Features & Benefits

- Suitable for all 4-stroke motorcycle
- Reduced friction
- Minimal wear

ITEM CODE	DESCRIPTION	API	REMARK
MO-B01-003	4T Motor Oil - 1L	SAE 40	

MO-B01-004 4T MOTOR OIL

15W40 SG Mineral

1L

Features & Benefits

- Excellent engine wear protection
- Helps extend engine life
- Improves fuel economy

ITEM CODE	DESCRIPTION	API	REMARK
MO-B01-004	4T Motor Oil - 1L	15W40 SG	

MO-B01-005 4T MOTOR OIL

10W40 SJ
